DETAILED ACTION

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on 26 October 2007 has been entered.

Allowable Subject Matter

Claims 9, 13, 16, and 17 are allowed.

The following is an examiner's statement of reasons for allowance: Claim 6 states the limitation "wherein the connection portion comprises a conformal via connected to said cover-shaped conductor layer and one or more filled vias connecting said conformal via to said ball pad, said conformal via having a hole wall, a metallic material arranged along the hole wall, and a resin material filling the remaining portion of the hole". This limitation, in conjunction with the other claimed features, was neither found to be disclosed in, nor suggested by, the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
